

Gales Creek Mainstem: South Fork to North Fork

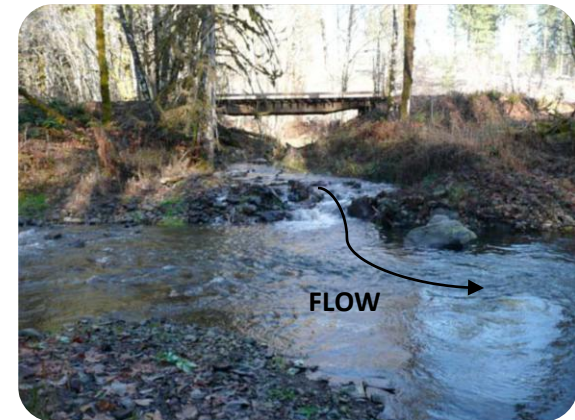

REACH DESCRIPTION: Survey from the confluence of the South Fork of Gales Creek upstream approximately one mile to the confluence with the North Fork of Gales Creek.

Park at the gravel parking area near S Fork Gales Creek Road. Please use caution when crossing Highway 6. The South Fork of Gales Creek crosses under Highway 6 and you will see a bridge at the confluence of the South Fork and the mainstem of Gales Creek. Begin your survey here. Proceed approximately one mile upstream to the confluence with the North Fork of Gales Creek which will be on your left. The floodplain widens and you will see more large woody debris as you near the confluence.

Survey Start: N45.64979, W123.32015

Survey End: N45.65082, W123.33896
