<b>Project Name</b>	<b>Funding</b>	<b>Status</b>	<b>7/2015 – 6/2017 Work as of 6/2016</b>	<b>OWEB 2017 2019 Update and Plan</b>
Tualatin River Watershed Place-based Water Use Strategic Planning	Oregon Water Resources Department	Did not get grant	Applied for a Oregon Water Resources Department grant for \$225,000 in Dec 2015. It would have been a 2 to 3 year grant. Although we were “scored” as strong, we did not get the grant.	Will reapply if opportunity presents itself
Upland restoration program resources		As opportunities develop	Identify resources (i.e., native plants, grant programs, funding, etc.) which upland owners need to enhance properties. Establish partnerships with potential funding / support agencies.	-Identified upland project for 2017-2018 in McKay Creek -Continue to identify needs and resources to support uplands restoration. (Council capacity until project money secured)
