

Spring Naturescaping Workshop

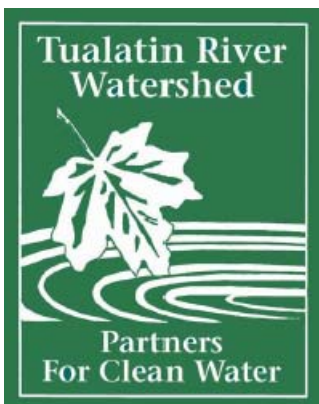

**Saturday, May 13, 2017
9:00 - 11:00 AM**

**Leedy Grange
835 NW Saltzman Road
Portland, OR**

*Looking for a low-maintenance landscape option?
Join us to learn how to NATURSCAPE your yard!*

This workshop will introduce naturescaping concepts, including:

- Pollution prevention through the reduction/elimination of chemical use
- How native plants help create a thriving landscape that's attractive to native birds, butterflies and other pollinators
- Basic site planning principals, an introduction to native plants, and many other great gardening tips
