

OWEB 2017 2019 Work Plan Summary  
June 2018 Update  
**Planning**

Project Name	2017 2019 Plan	June 2018 Update
Tualatin River Watershed Place-based Water Use Strategic Planning	Applied for a Oregon Water Resources Department grant for \$225,000 in Dec 2015. It would have been a 2 to 3 year grant. Although we were “scored” as strong, we did not get the grant. Will reapply if opportunity presents itself	<u>High Priority</u>  <u>Medium Priority</u>  <u>Low Priority</u> -Apply for grant if it becomes available again
Upland restoration program resources	-Identified upland project for 2017-2018 in McKay Creek -Continue to identify needs and resources to support uplands restoration.	<u>High Priority</u>  <u>Medium Priority</u>  <u>Low Priority</u> -Apply for grants if opportunities present themselves
Tualatin Basin Resiliency Plan		<u>High Priority</u>  <u>Medium Priority</u> -Develop Tualatin Basin Resiliency Plan if new funding becomes available  <u>Low Priority</u>
Wapato Wildlife Refuge		<u>High Priority</u>  <u>Medium Priority</u> -Participate as plan is developed and there is an opportunity for input <u>Low Priority</u>
