Supporting fundraising may be just one of them.</p> <p>As a Board member you want to support the Council, but may not know how. Understanding and developing practical skills in the ways you can participate in fundraising without directly asking for money will be the focus of this training. We will build a personal plan you can use to provide focus and direction.</p> <p>This workshop will be interactive with time for participants to share stories and share the expertise in the room. Everyone should leave energized and ready to support the Watershed Council in a new way.</p>	<p><b>Dianne Alves, Fresh Take Consulting</b></p> <p>Dianne Alves has worked in philanthropy and nonprofit management building the capacity of nonprofits for over 29 years.
